

Confirm Board Certification Quickly Online

Easy online access

Confirm physician
certification status

Check for multiple
certifications

Receive basic
data reports

With ABMS Medical Specialists Online™ you have a direct-to-ABMS connection for premium physician certification information. The ABMS database contains information on over 800,000 physicians certified by all 24 ABMS Member Boards in more than 145 specialties and subspecialties. Since it is the only database that is updated daily, you are assured the most current data available.

- Generate search results quickly, even if you have only minimum search information
- Focus your results by including certification and geographic information
- Review search summary to select the report you need
- Receive reports that are formatted for easy printing
- Easily find board certified physicians for recruiting, expert testimony and other business purposes
