

CertiFACTS On-LineSM Certification Verification Program

Access Primary Source Certification Information from a Premium Resource

CertiFACTS On-Line is your direct link to the most current board certification data updated daily by the 24 Member Boards of the American Board of Medical Specialties. It's one of a select few programs to be designated by ABMS as an Official Display Agent and the only one to be powered by ABMS Direct Connect™. The data is brought direct to you from the ABMS database through your desktop Internet connection. Data from the database is recognized by JCAHO, NCQA and URAC as satisfying primary source requirements for board certification verification of physicians.

Highly Respected in the Physician Credentialing Industry

Hospitals, health systems, integrated delivery networks, managed care organizations including HMOs, PPOs, Insurance Companies, Credentials Verification Organizations (CVOs), physician recruiters, attorneys and many other organizations all have come to rely on CertiFACTS On-Line for delivery of fast results. With CertiFACTS On-Line, there's no software to install or process to learn, making it ideal for multi-user groups.
